Food industry is changing dramatically, with the demand for gluten free and vegan options growing. With consumers taste getting more sophisticated, hosts need to add choices to menus that are as good, or even better, than the original. That is why Gelatino is creating a speciality line of fine soy milk based gelato so rich and wholesome your customers won't believe their taste buds.

Are you ready for the big change? Please feel free to contact us to request sample, discuss our products or to arrange a tasting in our Malaga laboratory.

Customised Gelato & Sorbet flavours available up on request.  
 Our entire range of Gelato & Sorbet is completely free of artificial colouring.
